

# Children's Ministry/Nursery Reopening Protocol

---

## Things to know:

- We are doing our best to follow USD250 guidelines.
- If your kid(s) is/are not able to attend school, please don't bring them to children's church.

## What we expect from our volunteers:

- The volunteers and staff at PittNaz will not be allowed around the children if they are experiencing COVID-19 symptoms.
- All volunteers will be temperature checked prior to their service time with children.
- All volunteers are asked to social distance as best as they can.
- All volunteers are required to wear a mask.

## What to expect at Checkin:

- Social Distancing requested at drop-off/pick-up (tape has been placed on the floor to help with this).
- There will be a volunteer in the children's ministry area and nursery to check-in your child. Self-check-in will not be available. The volunteer will ask your child's name and you will be printed off a nametag to place on the back of your child's shirt.
- Please make sure have up-to-date contact info, in case we need to contact you during the service (you can update this in the Church Center app at any time).
- Recommended masks for kids over the age of 5.
- All kids will be temperature checked at drop-off using a non-contact thermometer and any children with a fever ( $\geq 100.4$ ) will not be allowed to attend children's church.

## What to expect for your kids during Children's Church:

- Chairs/tables will be moved to approximately 6ft apart.
- Hand washing recommended and hand sanitizer available.
- Toys, games, tables, chairs, etc., sanitized before and after each service.
- Request "air-fives" or "elbow bumps" instead of hugs or high-fives.
- If a child gets ill with any symptoms of COVID-19 during service, that child will be escorted to "The Shepherd's Hook" and a parent will be called to come and get their child. The leader will stay with the child until the parent arrives. The Shepherd's Hook is a room directly off the gymnasium on the Southwest end of the church.

## What to expect at Pickup:

- Children will either stay social distanced in their respective classrooms or led to the hallway where there is tape (social distanced) that they will stand on until parent arrival.
- We ask that after requesting to pickup your kids, to please step back from the counter and to a different tape piece to make room for other parents.
- Please don't congregate in the children's area, be mindful of other's picking up and dropping off kids.
